

## PERSONAL PROPERTY POLICY

### PURPOSE

To explain Foster Secondary College policy in relation to personal property and to ensure that special or valuable items of personal property are not brought to school.

### SCOPE

This policy applies to all school activities, including camps and excursions.

### POLICY

Foster Secondary College understands that staff and/or students may sometimes like to bring items of personal property to school.

The Department of Education and Training does not have insurance for personal property of staff, students and visitors. Foster Secondary College does not take responsibility for items of personal property that are lost, stolen or damaged at school or during school activities. Damage to personal property brought to school is the responsibility of the owner of that property.

Foster Secondary College encourages staff and students not to bring items of value to school, or to obtain appropriate insurance for such items.

If students must bring items of value to school, they should be stored safely in a locked locker or handed in at the School Office until the end of the day, when the items may be collected by the student and/or parent.
