Our school recognises the importance of the partnership between our school and parents and carers to support student learning, engagement and wellbeing. The programs and teaching at Foster Secondary College support and promote the principles and practice of Australian democracy, including a commitment to:

- elected government
- the rule of law
- equal rights for all before the law
- freedom of religion
- freedom of speech and association
- the values of openness and tolerance.

This policy outlines our school's vision, mission, objective, values and expectations of our school community. This policy is available on our school website and our staff induction handbook.

VISION

Foster Secondary College's vision is to *maintain over time, an environment where students are inspired, motivated and resilient learners.*

MISSION

Foster Secondary College's mission is to embed a strong ethos of engagement, respect, encouragement and excellence within a caring and committed environment.

OBJECTIVE

Our school's objectives are considered as part of the 4 yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

Foster Secondary College recognises the importance of the partnership between schools and parents to support student learning, engagement and wellbeing. We share a commitment to, and a responsibility for, ensuring inclusive, safe and orderly environments for children and young people.

The college motto of 'Nihil Sine Labore' (nothing without labour) sits well with the Education State initiative of having high expectations across the whole government school sector.

As we pursue excellence, equity and high expectations in our school, we recognise the benefits of persistence, integrity and productivity. We encourage students to embrace the idea of 'lifelong learning' - that the end of secondary school is simply another beginning.

Foster SC seeks to promote a culture of Resilience, Rights & Respectful Relationships across the school community. The FSC 'Statement of Values' underpins this commitment and defines how we work. As such, school staff are strongly motivated to do their best for every child.
